Our Mission

Aspley East Kindergarten is an inclusive and welcoming community providing the highest quality kindergarten education for children in the local community.

At Aspley East Kindy we are committed to:

- We are a place where culture, diversity and uniqueness are valued. Our place is for everyone in our community.
- Developing programs that have at their centre, deep, meaningful and trusting relationships with each child and their family
- Working alongside each child to support their search for meaning and learning at their own pace
- Supporting children's deep engagement in learning through play, fun and friendship for all
- Health, happiness, friendship and safety for everyone in our community
- Recognising and celebrating our history and the meaning of our place
- Developing reciprocal and collaborative relationships with families. We respect and respond to parent knowledge and wisdom about their child.
- Valuing and promoting The Arts (Paint, drawing, clay, music, drama) as a way to stimulate inquiry and creative thinking
